XPS 13 (9380) 13" InfinityEdge (1920x1080) display 8th Gen i5-8365U Intel Processor Windows®10 Professional, 64-Bit OS 8GB RAM 256GB SS hard drive	**13" Retina Display MacBook Pro** 2.3GHz dual-core Intel Core i5 processor Turbo Boost up to 3.6GHz 8GB 2133MHz LPDDR3 memory 256GB SSD storage Intel Iris Plus Graphics 640 Two Thunderbolt 3 ports

Computer equipment replacements for tenure-track faculty are on a four-year turnover. Your equipment is covered under warranty through this time frame. All orders will be placed through the Information Technology Services department. If your equipment requirements are beyond what the campus standard offers, you will need to obtain approval from both the office of the Dean of the College and the office of the Chief Information Officer of the Information Technology Services department. Once you have obtained approval from both offices, the excess cost for the equipment beyond standard will be charged to your departmental budget. Microsoft Office Suite and antivirus are standard software offered by Bard for both platforms.
