

THE BARD PHILOSOPHY CLUB PRESENTS

A CONVERSATION WITH PROFESSOR FRANCO BALDASSO

'Giorgio Agamben and the Ambiguity of the Sacred'

WEDNESDAY, SEPTEMBER 28TH, AT 6PM IN THE CHAPEL

This discussion of Giorgio Agamben, an influential and controversial voice in today's philosophical debates, will address his main contributions to political theory. It will also explore how his methodology draws inspiration from the unlikely encounter between the arcane and the contemporary, beginning with one of his most pressing concerns: the significance of the sacred in our modern secularized world.
