List of Programs

On this page, review the list of teacher preparation programs offered by your institution of higher education (IHE) or organization. If you submitted an IPRC last year, this list of programs is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to enter the programs in the appropriate reports. For the traditional report, list all traditional programs within the IHE. For the alternative report, list all alternative programs within the IHE. You may edit, delete, and insert new rows as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page. The system will automatically total the number of programs for you.

Program Information

List each teacher preparation program included in your alternative, ihe-based route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at **https://www2.ed.gov/programs/tqpartnership/awards.html**.

Teacher Preparation Programs	Teacher Quality Partnership Grant Member?	Update

Total number of teacher preparation programs: 1		

Program Requirements

On this page, review and enter information about the program requirements for admission into the program, program completion, and supervised clinical experience. If you submitted an IPRC last year, much of this page is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to specify the requirements in the appropriate reports. For the traditional report, provide the requirements for traditional programs within the IHE. For the alternative report, provide the requirements for the alternative programs within the IHE.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Admissions

1. Indicate when students are formally admitted into your initial teacher certification program:

Postgraduate ▼

If Other, please specify:

2. Does your initial teacher certification program conditionally admit students?

○ Yes
● No

3. Provide a link to your website where additional information about admissions requirements can be found:

https://www.bard.edu/mat/ny

4. Please provide any additional information about or exceptions to the admissions information provided above:

For our Trans C Program we do not conditionally admit students. This Program is offered only to Bard High School Early College faculty, with PHD's in the subject area. The requirements for this Program are different from those of our Initial Certification Program.

Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. **(§205(a)(1)(C)(i))**

1. Are there initial teacher certification programs at the undergraduate level?

○ Yes
● No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the rest of the page blank (or clear responses already entered) then click save at the bottom of the page.

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2016-17. **(§205(a)(1)(C)(iii), §205(a)(1)(C)(iv))**

Additional guidance on reporting supervised clinical experience and nonclinical coursework.

Average number of clock hours of supervised clinical experience required prior to student teaching	28
Average number of clock hours required for student teaching	0
Average number of clock hours required for mentoring/induction support	450
Number of full-time equivalent faculty supervising clinical experience during this academic year	0
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	0
Number of students in supervised clinical experience during this academic year	0

Please provide any additional information about or descriptions of the supervised clinical experiences:

This is a Transitional C Program. These people are already hired and teaching in Bard College's public schools in NYC. All have their PHD's in the discipline and have enrolled in the Bard MAT Trans C program to obtain their certification so they can continue to teach in the Bard High School Early Colleges in Manhattan and Queens. They have three years to complete coursework leading to Professional certification. They spend those three years teaching full time in their school in the subject area they are being certified in, adding up to over 3K hours of Field Experience. They are not supervised by MAT faculty in their schools as it is not a student teaching placement and they are reviewed and observed by administration in their respective school districts. During these three years they also complete any remaining requirements for certification including edTPA.

Enrollment

On this page, enter the number of candidates for an initial teaching credential who are enrolled in the initial teacher preparation programs within your institution of higher education (IHE) or organization. **Do not** report on the total number of students enrolled in the entire IHE. **Do not** include individuals who currently hold a teaching credential and are seeking additional licenses or endorsements, or individuals preparing for school-based careers other than classroom teachers (e.g., administrators, guidance counselors).

The Department recognizes that in many cases, candidates voluntarily report their race/ethnicity and gender data, and that in some cases, candidates may choose not to report this information. Please report on the race/ethnicity data you have available, though the data may not be complete. It is not expected that the sum of the enrolled students reported by race/ethnicity or by gender will necessarily equal the total number of students enrolled.

If your IHE offers both traditional and alternative programs, be sure to enter the candidates enrolled in the appropriate reports. For the traditional report, provide only the candidates enrolled in traditional programs within the IHE. For the alternative report, provide only the candidates enrolled in the alternative programs within the IHE.

After entering the enrollment data, save the page using the floating save box at the bottom of the page.

Enrollment

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

Additional guidance on reporting race and ethnicity data.

Total number of students enrolled in 2016-17	8
Unduplicated number of males enrolled in 2016-17	5
Unduplicated number of females enrolled in 2016-17	3

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. **(§205(a)(1)(C)(ii)(H))**

2016-17	Number Enrolled
Ethnicity	
Hispanic/Latino of any race	0
Race	

2016-17	Number Enrolled
American Indian or Alaska Native	0
Asian	1
Black or African American	1
Native Hawaiian or Other Pacific Islander	0
White	6
Two or more races	0

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2016-17. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. **(§205(b)(1)(H))**

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2016-17. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. (§205(b)(1)(H))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

Program Completers

On this page, enter the total number of individuals who completed the program in AY 2016-17 and the two prior academic years. If you submitted an IPRC last year, the number of program completers for the two prior academic years are pre-loaded from your prior year's report.

A program completer is a person who has met all the requirements of a state-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the state for initial certification or licensure may not be used as a criterion for determining who is a program completer.

An individual cannot be classified as both enrolled and as a program completer at the same time. An enrolled individual is not a program completer. Once an individual has met all the requirements of a state-approved teacher preparation program and becomes a program completer, the individual is no longer classified as enrolled.

After entering the program completers, save the page using the floating save box at the bottom of the page.

Annual Goals

On this page, review the annual goals in each subject area listed below. If you submitted an IPRC last year, the goals you entered last year are pre-loaded from your prior year's report. Please respond to the questions to report on progress towards the goals, and set new goals for the next academic year.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. **(§205(a)(1)(A)(ii), §206(a))**

Information about teacher shortage areas can be found at **https://www2.ed.gov/about/offices/list/ope/pol/tsa.html**.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Low-Performing

On this page, review the questions regarding your program's approval/accreditation and whether your program has been designated as low performing by the state. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program. (§205(a)(1)(D), §205(a)(1)(E))

1. Is your teacher preparation program currently approved or accredited?

- ● Yes
- ○ No

If yes, please specify the organization(s) that approved or accredited your program:

- ☐ State
- ☐ NCATE
- ☐ TEAC
- ☑ CAEP
- ☐ Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

- ○ Yes
- ● No

Use of Technology

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. **(§205(a)(1)(F))**

    Does your program prepare teachers to:

    a. **integrate technology effectively into curricula and instruction**

    ● Yes
    ○ No

    b. **use technology effectively to collect data to improve teaching and learning**

    ● Yes
    ○ No

    c. **use technology effectively to manage data to improve teaching and learning**

    ● Yes
    ○ No

    d. **use technology effectively to analyze data to improve teaching and learning**

    ● Yes
    ○ No

2. **Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.**

    Our education courses carry a focus on using technology effectively in the classroom. This is one of the requirements of our education courses, integrating technology into the classroom. Students are encouraged to use technology in their classrooms.

Teacher Training

On this page, review the questions about how your program trains general education teachers and special education teachers. For the purposes of these questions, general education teachers means those who are not specifically prepared as special education teachers. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

List of Programs

On this page, review the list of teacher preparation programs offered by your institution of higher education (IHE) or organization. If you submitted an IPRC last year, this list of programs is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to enter the programs in the appropriate reports. For the traditional report, list all traditional programs within the IHE. For the alternative report, list all alternative programs within the IHE. You may edit, delete, and insert new rows as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page. The system will automatically total the number of programs for you.

Program Information

List each teacher preparation program included in your traditional route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at **https://www2.ed.gov/programs/tqpartnership/awards.html**.

Program Requirements

On this page, review and enter information about the program requirements for admission into the program, program completion, and supervised clinical experience. If you submitted an IPRC last year, much of this page is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to specify the requirements in the appropriate reports. For the traditional report, provide the requirements for traditional programs within the IHE. For the alternative report, provide the requirements for the alternative programs within the IHE.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Admissions

1. Indicate when students are formally admitted into your initial teacher certification program:

Postgraduate ▼

If Other, please specify:

2. Does your initial teacher certification program conditionally admit students?

- ● Yes
- ○ No

3. Provide a link to your website where additional information about admissions requirements can be found:

http://www.bard.edu/mat/ny/admission/applying/

4. Please provide any additional information about or exceptions to the admissions information provided above:

All students applying to the Bard College Master of Arts in Teaching Program must hold a BA or BS degree (or higher) from an accredited liberal arts institution to be considered for acceptance to our Program. These students must have a major or the equivalent in the discipline area they plan to study at Bard (English, history, math, or biology) and a GPA of 3.0 or higher. The Program will accept people contingent on completion of additional coursework under the advisement of MAT faculty to either improve their GPA or make up for a lack of coursework in the subject area.

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2016-17. **(§205(a)(1)(C)(iii), §205(a)(1)(C)(iv))**

Additional guidance on reporting supervised clinical experience and nonclinical coursework.

Average number of clock hours of supervised clinical experience required prior to student teaching	120
Average number of clock hours required for student teaching	640
Average number of clock hours required for mentoring/induction support	0
Number of full-time equivalent faculty supervising clinical experience during this academic year	5
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	3
Number of students in supervised clinical experience during this academic year	22

Please provide any additional information about or descriptions of the supervised clinical experiences:

There is commitment to providing MAT students with ongoing experiences in public school classrooms that will balance graduate studies with the challenges of teaching. The classroom experience is structured as a developmental sequence that moves apprentices towards increased responsibility for student learning under the guidance of mentor teachers and MAT faculty. MAT students begin work in a local summer school program as tutors during the first (summer) term. They begin the first of two student teaching placements in September, on the first day of school, and remain in this placement for 6 full weeks. They enter their second placement in February and remain in this placement for 12 full weeks. All students spend a total of 18 or more weeks in the classroom, with two different teaching placements, one in a middle school and one in a high school. Both of these placements occur under the supervision of a partner mentor teacher and a full-time faculty supervisor.

Enrollment

On this page, enter the number of candidates for an initial teaching credential who are enrolled in the initial teacher preparation programs within your institution of higher education (IHE) or organization. **Do not** report on the total number of students enrolled in the entire IHE. **Do not** include individuals who currently hold a teaching credential and are seeking additional licenses or endorsements, or individuals preparing for school-based careers other than classroom teachers (e.g., administrators, guidance counselors).

The Department recognizes that in many cases, candidates voluntarily report their race/ethnicity and gender data, and that in some cases, candidates may choose not to report this information. Please report on the race/ethnicity data you have available, though the data may not be complete. It is not expected that the sum of the enrolled students reported by race/ethnicity or by gender will necessarily equal the total number of students enrolled.

If your IHE offers both traditional and alternative programs, be sure to enter the candidates enrolled in the appropriate reports. For the traditional report, provide only the candidates enrolled in traditional programs within the IHE. For the alternative report, provide only the candidates enrolled in the alternative programs within the IHE.

After entering the enrollment data, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

Enrollment

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

Additional guidance on reporting race and ethnicity data.

Total number of students enrolled in 2016-17	29
Unduplicated number of males enrolled in 2016-17	13
Unduplicated number of females enrolled in 2016-17	16

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. (§205(a)(1)(C)(ii)(H))

2016-17	Number Enrolled
Ethnicity	
Hispanic/Latino of any race	2
Race	

2016-17	Number Enrolled
American Indian or Alaska Native	0
Asian	1
Black or African American	1
Native Hawaiian or Other Pacific Islander	0

Two or more races	1

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2016-17. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2016-17. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. (§205(b)(1)(H))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

Program Completers

On this page, enter the total number of individuals who completed the program in AY 2016-17 and the two prior academic years. If you submitted an IPRC last year, the number of program completers for the two prior academic years are pre-loaded from your prior year's report.

A program completer is a person who has met all the requirements of a state-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the state for initial certification or licensure may not be used as a criterion for determining who is a program completer.

An individual cannot be classified as both enrolled and as a program completer at the same time. An enrolled individual is not a program completer. Once an individual has met all the requirements of a state-approved teacher preparation program and becomes a program completer, the individual is no longer classified as enrolled.

After entering the program completers, save the page using the floating save box at the bottom of the page.

Annual Goals

On this page, review the annual goals in each subject area listed below. If you submitted an IPRC last year, the goals you entered last year are pre-loaded from your prior year's report. Please respond to the questions to report on progress towards the goals, and set new goals for the next academic year.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. **(§205(a)(1)(A)(ii), §206(a))**

Information about teacher shortage areas can be found at **https://www2.ed.gov/about/offices/list/ope/pol/tsa.html**.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Assurances

Please certify that your institution is in compliance with the following assurances. **(§205(a)(1)(A)(iii), §206(b))** Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

1. Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

- ● Yes
- ○ No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

- ● Yes
- ○ No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

- ○ Yes
- ○ No
- ● Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

- ● Yes
- ○ No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- ● Yes
- ○ No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- ● Yes
- ○ No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- ● Yes
- ○ No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

The Bard MAT Program works closely with our "Partner Schools". Student Teachers are placed with trained mentor teachers and supervised by trained MAT discipline and education faculty members. Training and courses are adapted to meet the changing needs of the schools we work with and other schools in the areas where our graduates teach. Attention is given to the challenges faced by new teachers, and instruction in the education courses focus on differently-abled students, diverse classrooms, ESL and varying socio-economic and cultural backgrounds. The Bard MAT Program also has a very strong support network in place for our graduates and alumni/ae to support them in their teaching careers with advisement from faculty, lesson planning, and graduate course offerings for professional development and or graduate credit. Our education courses focus on all aspects of student learning, including working with students with disabilities, ESL students, and inclusive classrooms. All of our students receive at least one placement in a high needs school and the education courses have a focus on working with and teaching children from low-income families. All of our students are placed in at least one high needs school. Education courses focus heavily on working in urban and high needs schools in the area.

Low-Performing

THIS PAGE INCLUDES:

>> Low-Performing

On this page, review the questions regarding your program's approval/accreditation and whether your program has been designated as low performing by the state. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program. (§205(a)(1)(D), §205(a)(1)(E))

1. Is your teacher preparation program currently approved or accredited?

- ● Yes
- ○ No

If yes, please specify the organization(s) that approved or accredited your program:

- ☐ State
- ☐ NCATE
- ☐ TEAC
- ☑ CAEP
- ☐ Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

- ○ Yes
- ● No

Use of Technology

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Use of Technology

1. **Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. (§205(a)(1)(F))**

   Does your program prepare teachers to:

   a. **integrate technology effectively into curricula and instruction**

   - ● Yes
   - ○ No

   b. **use technology effectively to collect data to improve teaching and learning**

   - ● Yes
   - ○ No

   c. **use technology effectively to manage data to improve teaching and learning**

   - ● Yes
   - ○ No

   d. **use technology effectively to analyze data to improve teaching and learning**

   - ● Yes
   - ○ No

2. **Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.**

   Our education courses carry a focus on using technology effectively in the classroom as do our discipline courses. This is a requirement of our education courses, integrating technology into the classroom. Students use technology in their student teaching placements and in their own classrooms.

Teacher Training

On this page, review the questions about how your program trains general education teachers and special education teachers. For the purposes of these questions, general education teachers means those who are not specifically prepared as special education teachers. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. (§205(a)(1)(G))

1. Does your program prepare general education teachers to:

    a. teach students with disabilities effectively

    ● Yes
    ○ No

    b. participate as a member of individualized education program teams

    ● Yes
    ○ No

    c. teach students who are limited English proficient effectively

    ● Yes
    ○ No

2. Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

    All of these items are key in our Education courses, and used actively in student teaching. Students address and learn about issues of disabilities, team teaching, co-teaching, and teaching ESL and ELL students. Students receive direct experience in all different types of classrooms and schools with all different types of students and student abilities. Students also receive a TESOL certificate upon completion of a 10 hour required TESOL workshop offered by the College.

3. Does your program prepare special education teachers to:

    a. teach students with disabilities effectively

    ○ Yes
    ○ No
    ● Program does not prepare special education teachers

    b. participate as a member of individualized education program teams

○ Yes

○ No

● **Program does not prepare special education teachers**

c. **teach students who are limited English proficient effectively**

○ Yes

○ No

● **Program does not prepare special education teachers**

4. **Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.**
