

Information Sheet on General Certificate of Education - Advanced Level Recognition in Germany

Students with a GCE/ A Level leaving certificate must meet the following requirements in order for their qualification to be considered equivalent to the *Abitur*.

- 3 examination subjects at Advanced Level (the subjects must be general education subjects rather than pre-professional)
- Among the 3 examination subjects, students should demonstrate the following:
 - One language
 - Math or a natural science (Biology, Chemistry, or Physics)
 - One subject related to the intended area of study
 - e.g. an additional language at Advanced Level, History, Geography, Social Science/Political Science, or Economics
