LEAVE OF ABSENCE

Students use this form to formally request an official Leave of Absence for a specific amount of time. Students should file for a leave of absence when they anticipate missing class for more than a week. Students in need of a Leave of Absence should first consult with their Academic Advisor, before submitting the form to the Head of Student Life or Director of Academic Services for approval. Requests for a prolonged period of leave also require approval from the Dean. The leave will not be considered official until the form with appropriate signatures has been returned to the Registrar's Office and processed.

Please note that if you hold a residence permit for your stay in Germany and will be outside of Germany for 6 months or longer, then you must be in touch with the Landesamt für Einwanderung (Immigration Office).
