Course Description

This advanced studio course is designed to connect the gamut of materials and techniques in contemporary painting with the development of an individual aesthetic style. Weekly sessions will expose students to a wide range of experimental painting techniques with the aim of synchronizing chosen materials and methods with personal expression and content. Students will gain experience working with oil, acrylic, enamel, vinyl, and gouache paints. Classes will feature demonstrations of airbrushing, marbling, masking, projecting, stamping, stencils, collage, and digital printing on canvas. Material demonstrations will be augmented by readings, slideshows, gallery tours, and studio visits. The syllabus begins with directed assignments that become increasingly more personalized and independent as the course progresses. The ideal student will have previous painting experience and be highly motivated to make a body of original work. The semester culminates in an "Open Studios" group exhibition.

Requirements

Students are expected to:

- Turn off phones during class time.
- Initiate appointments with the Professor or Arts Staff outside of class time.
- Always allocate extra time for work preparation and clean-up for independent production.
- Respond to emails from the Professor in a timely manner.
- Inform the Professor at the beginning of the semester if photos of student's identity, artwork, works in progress are NOT to be taken and / or used for Bard College Berlin.

Academic Integrity

Bard College Berlin maintains the staunchest regard for academic integrity and expects good academic practice from students in their studies. Instances in which students fail to meet the expected standards of academic integrity will be dealt with under the Code of Student Conduct, Section III Academic Misconduct.

Attendance

- Attendance of all classes is expected.
- More than one unexcused absence will significantly lower the final grade for the course.
- Tardiness after 10 minutes will be considered an absence.
- Students are expected to attend all off-campus classes punctually, from start to finish. If there is a scheduling / travel conflict, the Professor must be informed in advance.
- The full BCB attendance policy can be found in the Student Handbook, Section 2.8.
- *SPECIAL CONSIDERATIONS FOR FALL 2020*: for the health of the BCB community all students and instructors must refrain from in-person attendance if they are feeling ill. A reasonable effort will be made to offer alternatives to in-person attendance when needed, including remote participation or asynchronous options. These alternatives will be introduced on a case-by-case basis. For those students requiring temporary remote participation, individual video calls between student and instructor will replace in-person lessons. Please feel welcome to contact the instructor with questions about this any time.

Assessment

Students will receive midterm and final grades for their work.

Assignments are due at the beginning of the class session. Detailed information about assignments and projects will be explained in class. Assignments and the dates described in this syllabus are subject to change by the instructor. Students will be notified of any changes to the syllabus in class and via email. Students must regularly check their Bard email accounts.

Please be aware that basic art materials will be provided, though some materials may need to be purchased directly by each student at their own expense depending on individual project goals.

Students are assessed on their ability to work effectively together in collaborative groups and independently throughout the semester. Grading will reflect the ambition, time-investment, and overall quality of the finished artworks. This assessment will also include the student's ability to adequately budget their time for working and clean-up of the materials and spaces used at Bard College Berlin.

60% Work (meaning all artworks made for class, presented for critiques, and assignments)
40% Attendance, participation, and professionalism

Policy on Late Submission of Artworks / Presentations

Assignments (projects & presentations) that are up to 24 hours late will be downgraded one full grade (Example: B+ becomes C+). Professor is not obliged to accept assignments that are more than 24 hours late. Where the Professor agrees to accept a late assignment, it must be submitted within four weeks of the deadline and cannot receive a grade higher than C. Thereafter, the student will receive a failing grade for the assignment.
