

Club Spending Guide

Fall 2020

How to Spend Club Budgets:

Purchase Orders, Check Requests, and Student Payment Requests are the three main ways to spend a club budget. A **Purchase Order** will instruct the College's Purchasing Office to buy something for the club. A **Check Request** will issue a check to reimburse any individual for purchases made on behalf of a club or pay outside an individual whom you have contracted to perform services for the club. **Student Payment Requests** will pay a Current Bard Student for a service they performed for a club they are not affiliated with. All forms can be found in the blue magazine rack outside of the Office of Student Activities. **Please note: There will be absolutely no cash advances.**

Purchase Order and Check Request methods take AT LEAST TWO WEEKS to be processed.

Student Payment Requests follow the Student Payroll Schedule.

Please plan out the spending in advance according to the Purchase Order Processing and Check Run Schedules.

Use a Check Request (Blue Sheet):

If you want to reimburse someone for a club purchase:

Say an individual made a last minute purchase for a club and would like to be reimbursed with club funds afterward:

REQUIRED ATTACHMENTS: *Itemized Receipt*

BEFORE YOU MAKE THE PURCHASE:

1. Bard is a tax-exempt institution, and we cannot reimburse taxes paid for purchases made. No tax-exempt forms will be given out.

DURING THE PURCHASE:

1. Obtain and keep the **itemized receipt** of the purchase to later attach to the Check Request. In order for the receipt to be valid, it **must**:
 - a. Include a list of items purchased, as well as the total paid
 - b. Identify the vendor and the date
 - c. Demonstrate proof of payment; invoices are not sufficient if they do not indicate that they were paid
2. Some local stores and restaurants may not give you itemized receipts, but you should ask if they can give you one or an invoice of the order that has proof of payment on it, it can be stamped or confirmed by the cashier/owner in writing.

AFTER THE PURCHASE:

1. Take a **Check Request** from the magazine rack outside the Office of Student Activities. On the sheet, please fill out the following sections:
 - a. **"Is this reimbursement/payment for a current Bard student?":** Circle YES or NO
 - b. **"Bard Student ID":** The ID number of the **Bard Student being reimbursed**, if applicable
 - c. **"Check payable to":** The full legal name of the individual being reimbursed
 - d. **"Mailing address for Non-Bard Student / City, State, Zip Code":** If the check is to be made payable to a **non-current student** complete the full address section. If the check is made payable to a **current Bard student** the check will be placed in their Campus Mailbox.
 - e. **"Mail check to (if different from above)":** If the check is made payable to an individual and you would like the check to be mailed to an address that is not the individual's permanent address please complete their full address.
 - f. **"Cell phone and E-mail of person making request":** The contact information for the individual **completing** the check request in case follow up is needed.
 - g. Fill in the **"Date"** and the **"Club"** whose budget the funds will be taken out of.
 - h. Indicate whether this purchase **"Is/was for an event?"**. If so, indicate the **"Event Title"** and **"Date"** of the event.

- i. In the **“Description of Purchase”** section, summarize what the purchase/products are and for what event. You do not need to list each item you purchased as long as it is all listed on the attachment. Also, several receipts can be attached to one check request as long as the same individual is being reimbursed for all of them.
 - i. If the purchase was made for a specific event
 1. Example of what to write: “Food/ingredients/supplies for Italian Dinner Night”.
 - ii. If the purchase was not for a specific event, please include the reason for the purchase.
 1. Example of what to write: “Buckets of black paint to repaint the floors of the Old Gym”.
 - j. Complete the **“Quantity”, “Unit Price”, and “Amount”** per item/purchase, if necessary. If this information is listed on the attachment, there is no need to write each item in this section
 - k. Calculate and write down the **“Total”** of the purchase(s).
 - l. **“Club Head/Member (print)” & “Club Head/Member (sign)”**: Print and sign
 - m. Staple the **itemized receipt** to the back of the **Check Request**, and submit it into the collection bin in the Office of Student Activities.
 - n. **Please note**: Reimbursement for purchases **MUST** be submitted **within 30 days of the purchase**. There will be no exceptions to this rule.
2. If the Check Request is for a restaurant order, Please make sure to write DETAILED Delivery instructions on the form.
 - a. Date and Time
 - b. Exact Location
 - c. Phone number to call and/or text when delivery driver is here
 - d. Name of individual meeting the delivery person

FAQ:

Q: I went to Hannaford, and I purchased things for my club and for myself. Can I submit a receipt that has personal items on it?

A: No. Please make sure to separate personal items from club items **before** you complete the purchase so that the club purchases are on a separate receipt.

If you want to be reimbursed for gas mileage:

Say some used a **personal vehicle** for a club trip or carpooled with club members for an off-campus event, and would like to be reimbursed for gas. The college can reimburse for gas mileage **up to .53** cents per mile driven.

REQUIRED ATTACHMENTS: Google Maps printout showing number of miles driven

If you want to pay an outside performer/artist/lecturer:

You can pay for outside performers to come to the events.

REQUIRED ATTACHMENTS: *Documentation of Agreement* between the club and the outside individual, **W9 Form**

CREATING AN AGREEMENT & OBTAINING A W9 FORM:

1. Before the club agrees with an outside performer/artist to come to an event, make sure the club and the outside performer/artist both agree on a payment amount that the club can actually afford. **DO NOT** promise a payment amount that the club will rely on Stimulus Funds for; the Stim Fund request will be denied if you have already made an agreement with an outside group.
2. The **agreement** between the club and the outside performer/artist can be informal (such as an email thread or other message exchanges) or formal (such as a contract). Whatever type of agreement it is, it needs to include: the performer’s name, the date, time, location and name of the event, what service they are providing, and the payment amount agreed upon. Both parties (the club and the outside performer) must show that you mutually agreed upon a payment amount.
 - a. **Please note: before signing any formal contract, you must consult with the Office of Student Activities first.** Schedule an appointment to review and agree to the contract on behalf of the College.
3. A **W9 Form** from the individual providing the service is also required. The individual must provide all applicable information in Part I and the form **must** be signed and dated.
 - a. A **W9** is a Federal Form and can be found online (<http://studentactivities.bard.edu/resources/>) or a physical copy of the form can be picked up from a SPARC Intern within the Office of Student Activities.
 - b. **Please note:** If the performer is not a U.S. citizen and **does not have a US Social Security Number**, please contact the Office of Student Activities prior to making any arrangements to discuss options for payment and Bard’s Foreign National Information Form. **Bard’s Foreign National Information Form** must be completed and attached to the check request before the payment can be processed.
4. Print out both the approved **agreement** and the **W9 Form** to attach to the check request.

FILLING OUT THE CHECK REQUEST:

1. **It is highly recommended that you submit a *Check Request* at least two weeks prior to the event. This way, you can pay the outside individual at the time of the event instead of sending the check via mail after the event.**
2. Take a **Check Request** from the magazine rack outside the Office of Student Activities. On the sheet, please fill out the following sections:
 - a. **“Is this reimbursement/payment for a current Bard student?”**: No!

 - f. **“Cell phone and E-Mail of person making request”**: The contact information for the individual completing the check request in case follow up is needed.
 - g. Fill in the **“Date”** and the **“Club”** whose budget the funds will be taken out of.
 - h. **“Is/was for an event?”**: Yes. Indicate the **“Event Title”** and **“Date”** of the event.
 - i. In the **“Description of Purchase”** section, you just need to summarize what the payment is for and for what event.
 - i. Example: “DJ Ogun Payment for SMOG Show”.
 - ii. If you paid them hourly, include the number of hours in **“Quantity”** and the rate per hour in **“Unit Price”**. If you paid them a lump sum, skip **“Quantity”** and **“Unit Price”** and write it in **“Amount”**.
 - j. Calculate and write down the **“Total”** of the payment.
 - k. **“Club Head/Member (print)” & “Club Head/Member (sign)”**: Print and sign

- I. Staple the **agreement and the W9 Form** to the back of the **Check Request**, and submit it into the collection bin in the Office of Student Activities.

You can hire Bard students who are known for their DJing, photography, videography, driving skills and who are not affiliated with your club for events.

REQUIRED ATTACHMENTS: None!

FILLING OUT THE STUDENT PAYMENT REQUEST:

1. **Because the club is paying a Bard student for a service, you have to wait until after the event to submit their *Student Payment Request*.** These forms are processed through Student Payroll, not through the typical Club Check Run Schedule. If they do not currently have a job on campus, they must visit the Student Employment Office in the Physical Plant (1st floor of B&G barn) to fill out the appropriate paperwork. These payments will come directly from Student Employment on the same schedule that paychecks are on! (If the Bard student the club is paying already has a job on campus, this amount will simply be added to their typical paycheck/Direct Deposit.)
2. Take a ***Student Payment Request*** from the magazine rack outside the Office of Student Activities. On the sheet, please fill out the following sections:
 - a. **"Student's Name"**: Put the name of the student being PAID
 - b. **"Their Student ID"**: ID number of the Bard student being PAID
 - c. **"Name of person making request"**: The full name of the club head/member filling out this request (PLEASE NOTE: you cannot complete a request to pay yourself for a service)
 - d. **"Email of person making request"**: The email address of the club head/member filling out the request
 - e. Fill in the **"Date"** and the **"Club"** whose budget the funds will be taken out of.
 - f. Indicate whether this payment **"Is/was for an event?"**. If so, indicate the **"Event Title"** and **"Date"** of the event.
 - g. In the **"Description of Purchase"** section, you just need to summarize what the payment is for and for what event.
 - i. Example: "Photography Payment for ISO Cultural Show".
 - ii. If the payment isn't for a specific event, please include the reason for the purchase.
 1. Example: "Driving from Bard to Poughkeepsie to pick up Bard Free Press issues".
 - h. Include the number of hours in **"# of hours"** and the rate per hour in **"Pay Rate"** section.
Please note: The maximum pay rate for a student providing a service other than driving can not exceed double the current NY State minimum wage..
 - i. Calculate and write down the **"Total"** of the payment.
 - j. **"Club Head/Member (print)" & "Club Head/Member (sign)"**: Print and sign
 - i. **Please note: Only a few clubs can pay their club members for select services. Please speak with the Office of Student Activities if the club falls into this category. If you performed a service for a club, you cannot sign your own *Student Payment Request*.**
2. Submit the ***Student Payment Request*** into the collection bin in the Office of Student Activities.

FAQ:

Q: Is it possible to pay one of my club members to drive us around?

A: No. However, student drivers **unaffiliated with the club** can get paid. **Hourly wages equivalent to the current NY State minimum wage** may be **paid for time spent in transit**, rounded to the nearest hour. Payment of student drivers is limited to certified Bard drivers utilizing a college-owned vehicle. For exemptions, contact the Treasurer.

Q: I've heard of club members getting paid an "Event Host Fee". What is that?

A: Payment for taking on the responsibility of an Event Host at large events where alcohol is provided is permitted. For more information about this concept, visit the Office of Student Activities.

Q: Can I pay a student who can design a website for my club?

A: No. Payment to students for event planning, web design, or poster design is prohibited. Clubs should use SPARC for these free services.

Use a Purchase Order (Yellow Sheet):

If you want to purchase something online:

Click on the Shopping Cart, which should show you all of the items you wish to purchase, and the total amount of the purchase, including the desired shipping costs/delivery fees. If the shopping cart does not have shipping costs listed, go through the process of purchasing the items until you see the total cost including shipping. The club will be held accountable if the club goes over budget due to shipping charges.
 - a. **Please note:** Although tax costs will be automatically added in the Shopping Cart, if the Purchasing Office can deduct those costs since the College is tax-exempt they will.
2. Print out the page with the total costs listed, which will be the ***Shopping Cart Printout*** that you will attach to the Purchase Order. Make sure the URL is visible on the printout.

Purchase Order Processing Schedule & Check Run Schedule:

Check Requests, Purchase Orders, and Student Payments are collected weekly (every Wednesday by 5pm) and processed by the Treasurer and Student Activities via <https://tinyurl.com/ClubSpendingSubmission>

They are brought to the Controller's Office every Friday, where they are also processed weekly. If submitting a **Purchase Order**, please allow adequate time for all processing and shipping. If submitting a **Check Request**, the check will be cut 10 days after the Wednesday you submit it by.

***** For Check Request and Purchase Orders- ALL supporting documents MUST be submitted at once OR it will automatically be DENIED! (No exceptions) *****

For help combining all supporting documents to the CR/PO into one file, please use <https://combinepdf.com/>

When checks are cut, they will be put in student mailboxes by 5:00 PM on Fridays. If checks need to be sent off campus, they will be mailed out the Monday after the date the checks are cut. Please be mindful of this schedule and PLAN AHEAD as much as possible in order to get payments in time for events.

Student Payment Requests are processed through Student Employment on the regular Payroll Schedule (not through the Check Run schedule above). The student being paid must complete appropriate paperwork with the Student Employment Manager located in the Physical Plant. If a student already has a job on campus, nothing extra needs to be done – the student payment will be added to their typical paycheck receiving method (direct deposit, or physical check).

Club Spending Policies:

Transportation

General Transportation

If a club is unable to use a personal vehicle for off-campus use, the club should contact Bard's Transportation Office to reserve a college-owned vehicle. Such a request should be made as soon as possible and at least two weeks in advance of the expected day(s) of travel due to the limited availability of these vehicles. Only Bard Drivers may drive Bard vehicles - visit the Transportation website for information about how to become a Bard Driver.

If no personal vehicle or college-owned vehicle is available, the club is permitted to spend funds on alternative forms of transportation. Due to the higher cost associated with alternative modes of transit, such expenditures will be subsidized at a rate of 50%. Under special circumstances, the Treasurer may grant exemptions to this subsidized rate.

Zipcar, Uber, and Lyft Use

Clubs may use ZipCar for transportation, but must be **approved by the Treasurer beforehand** via e-mail to bsgtreas@bard.edu. Uber and Lyft should be viewed as a last resort option for club travel use and also must be **approved by the Treasurer beforehand**.

Travel to New York City

Clubs often travel to New York City for events. For student travel to New York City, the cost of off-peak Metro North tickets is the cheapest option. Travel to New York City, whether it be on Amtrak or peak-fare Metro North, will be reimbursed to a student at the current rate of an off-peak Metro North ticket. Unfortunately we are unable to purchase Metro-North tickets on behalf of the club, so be sure to save all receipts to submit for reimbursement. For large group travel on Metro North, please stop by the Office of Student Activities well in advance of the trip to discuss options.

Food

Parkhurst Club Catering – All Catering orders MUST be placed by a SPARC Intern on behalf of a club

Clubs must spend 20% of their food budget on food through Parkhurst. Anything can be ordered through Parkhurst's catering, but here's a link to the menu:

[Parkhurst Club Catering Menu](#)

Walmart Pick-up and Sam's Club Orders

In order to purchase food and items from Sam's Club and Walmart Pick-up you must go to the web-site for the store, create a shopping list and print it to attach to the Student Association Purchase Order. The shopping list must show the item(s), item number(s) and quantity needed.

The Student Association Purchase Order you submit to the Student Government Treasurer **MUST include the date, approximat time you would like the items ready to for pick-up and the full name of the individual** who will be picking up the order. Walmart and Sam's club often checks the ID of the individual picking up items to ensure that the correct individual is picking up the order.

Hannaford Orders

In order to purchase food and items from Hannaford you must go to the web-site, create a shopping list and print it to attach to the Student Association Purchase Order. The shopping list must show the item(s), item number(s) and quantity needed. The club member who completes the Purchase Order will be sent a Hannaford Gift Card to complete the purchase at Hannaford. You **MUST give your receipt after the purchase to the Office of Student Activities.**

Amazon Orders

Bard College has partnered with Amazon Business in order to simplify the purchasing process for Amazon Orders. For Amazon orders, follow the instructions on the 1-pg handout to submit the order directly to the Purchasing Department via the Amazon website. **You will still need to print the order and attach it to the Student Association Purchase Order which you will submit** to the Office of Student Activities. The Purchasing Department will not approve the order you submit via the website until they receive the approved purchase order from the Student Government Treasurer. a

PLEASE NOTE: The Business account does not include two-day shipping! Please plan the orders well in advance to allow for processing time on our end, and additional shipping time once the order is processed by the Controller's Office. This process will include automatic tax exemption for most items and business pricing.

Additional information is provided on "Amazon Orders – Club Instructions" handout.

Costumes, Uniforms, and Other Attire

Costumes must remain in the ownership of the club. All clothing purchased and customized for club members **must first be approved by either the Fiscal Committee Chair or the Treasurer.** Unless explicitly exempted by the Chair or the Treasurer, customized items will be subsidized at 50% of the final cost.

Payment for Student Services

Payment for student services rendered at club-hosted events is limited to specialized services that could otherwise not be provided without payment to a student. Those services include, but are not necessarily limited to musical performances, and related artistic performances. The maximum payment to a student **can not exceed double the current NY State minimum wage** for each hour of service.

Student Drivers

For student drivers unaffiliated with the club, hourly wages **equivalent to the current NY State minimum wage** may be provided for time spent in transit, rounded to the nearest hour. Payment of student drivers is limited to certified Bard drivers utilizing a college-owned vehicle. For exemptions, contact the Treasurer.

Event Host Fee

Event Host Fees can be paid to anyone taking on responsibility for events registered with alcohol only. To become an Event Host a club member **must** go through Alcohol Training prior to the event. The maximum amount for an Event Host Fee is **\$250 per event.**

Prohibited Expenditures

The following items are prohibited from use through the Convocation Fund. Those are:

- Alcohol (speak to Student Activities about the process of becoming an Event Host.)
- Capital Projects
- COMPENSATION FOR RUNNING the CLUB (i.e. stipends, payroll, etc.)
- Customized items for club members (will only be SUBSIDIZED 50%)
- Fog Machines
- Club Facilitated Off-Campus Overnight Retreats
- Private Food for students (all events where food is provided **MUST be publicized via the Bard App** and take place **On Annandale Campus**)
- Strobe Lights
- Websites (Seek out the SPARC Web Design Intern for free web design services)

Tracking the Club Spending:

Clubs are responsible for keeping track of their budgets to ensure they are not overspending. Clubs SHOULD appoint a Club Treasurer responsible for approving these forms and keeping a ledger. For assistance with creating a ledger, please contact the Office of Student Activities.

Printing at Central Services

Email a pdf indicating the club to be charged for printing, whether the attachment(s) is color or B&W, paper size and quantity to be printed to: printjob@bard.edu and studentactivities@bard.edu. The Office of Student Activities will email Central Services the club's account number and you will receive an email when your attachment(s) are ready to be picked up at Central Services in the Carriage House.

Questions?

For questions about spending, please contact the Student Government Treasurer at bsgtreas@bard.edu. Club remaining balances are available via the public ledger online. The link will be updated after the Budget Forum each semester. The budgets will be updated every Wednesday after the Treasurer processes requests each week.
