Office Hours: by appointment

## Course Description

This course is an introduction to digital photography with a focus on artistic expression. It is aimed at those who want to learn digital photography at a basic level and develop their photographic work into a project. Our sessions include in-class critiques and discussions on the choice of method, technique and subject matter, as well as possible forms of presentation. Parts of the course will consist of looking at works by contemporary and historical photographers, as well as introductions to the technical and theoretical tools you will need to work on your project. We will ask questions such as "What is my own way of seeing something?", "What is my own point of view?" It is an advantage if you can use your own camera in this course, but a limited number of cameras are also available to borrow from BCB for shorter periods of time.

## Requirements

Students are expected to:

- Turn off phones during class unless otherwise asked.
- Actively participate in critiques and discussions.
- Be prepared to present artworks / assignments / presentations without reminder.
- Respond to emails from their professors in a timely manner.
- Inform their professors at the beginning of the semester if photos of student's identity, artwork, works in progress are NOT to be taken and / or used for Bard College Berlin.
- Purchase their own prints, photographic paper and other material when needed.
- Always allocate extra time for work preparation and clean-up for independent production.
- Support your fellow students and treat them with respect. Everything revealed in class is confidential.
- Remove all artworks, art materials, and / or any personal belongings before the end of the semester. Failure to remove works or return spaces clean and empty may result in final grade penalization. Donating unrequested artworks and / or art materials is not permitted and will still be considered student property, expected to be removed by your inspection deadline. Please contact Studio Arts Manager Joon Park for more information: [j.park@berlin.bard.edu](mailto:j.park@berlin.bard.edu)

## Academic Integrity

Bard College Berlin maintains the highest standards of academic integrity and expects students to adhere to these standards at all times. Instances in which students fail to meet the expected standards of academic integrity will be dealt with under the Code of Student Conduct, Section 14.3 (Academic Misconduct) in the Student Handbook.

## **Attendance**

Attendance at all classes is a crucial part of the education offered by Bard College Berlin. To account for minor circumstances, two absences from twice-per-week courses or the equivalent (e.g. one absence from a once-per-week course) should not affect the participation grade or require documentation.

- Attendance of ALL classes is expected.
- More than one absence (that is, absence from one three-hour session per week) in a semester will affect the participation grade for the course.
- Students are expected to attend all off-campus classes punctually, from start to finish. If there is a scheduling/travel conflict, the Professor must be informed in advance.
- Tardiness after five minutes will be considered an absence unless the Professor is contacted at least 1/2 an hour before class.

Bard College Berlin does not offer credit for any course in which a student has missed more than 30% of classes, regardless of the reasons for the absences. The full Bard College Berlin attendance policy can be found in the Student Handbook, Section 2.8.

SPECIAL CONSIDERATIONS FOR FALL 2022: Some students may need to begin the semester remotely due to travel restrictions caused by the pandemic. In addition, all students and instructors must refrain from in-person attendance if they are feeling ill. Instructors should make efforts to offer alternatives to in-person attendance where needed, including remote participation or asynchronous options.

## **Assessment**

The students will be given a number of smaller assignments to be executed in class or for the next class. Some materials may need to be purchased / acquired directly by each student. Students are also assessed on their ability to work independently and responsibly. They will be graded on their ability to communicate with professor as well amongst themselves. This also includes their ambition to create artworks as well as their willingness to budget their time for all requirements connected to this class.

## **Policy on Late Submission of Artworks / Presentations**

Assignments (artworks, essays, performances, oral presentations) that are up to 24 hours late will be downgraded one full grade (Example: B+ becomes C+). The Professor is not obliged to accept assignments that are more than 24 hours late. Where a professor agrees to accept a late assignment, it should be submitted by the new deadline agreed upon by both parties. Thereafter, the student will receive a failing grade for the assignment. Grades and comments will be returned to students in a timely fashion. Students are also entitled to make an appointment to discuss assignments and feedback during instructors' office hours.

Students receive mid- and end-of-semester grades for their seminar work. Students are entitled to make an appointment with an instructor to discuss seminar participation, or may be asked to meet

with the instructor at any stage in the semester regarding class progress.

## Grade Breakdown

Class participation (includes attendance, maintenance of all common and private spaces used for production / rehearsal, communication with Professor and other students): 50 %

Homework and in-class work: 25 %

Project presentations for critiques (includes end of semester presentations): 25 %
