Things to Do.....97

Things By The Door

Clouds untangled
The mountainous "I"

Gives up rain

Unspoken

Light

Things change closer to nature

Certain/uncertain

A flame's pistil

Chestridden brambles loop into frills

Pink goes heartsplit on turquoise

Things break into place--

Stones upon a roof

(All you have to do is apply)

'Apply' to the wind

Bond, or

(To promised land)

A promised land

Hooks along the rim--

I feel sameness again

A field of hair in my face

--Nature preens--

I'll be this channel
