Seminar Leader: Carla Åhlander
Email: c.ahlander@berlin.bard.edu
Office Hours: by appointment

Course Description

This course is an introduction to digital photography with a focus on artistic expression. The course is aimed at those who want to learn digital photography at a basic level and develop their photographic work into a project. The course includes in-class critiques and discussions on the choice of method, technique and subject matter, as well as possible forms of presentation. Parts of the course will consist of reviewing works by contemporary and historical photographers, as well as introductions to the technical and theoretical tools you will need to work on your project. We will ask questions such as "What is my own way of looking at something?", "What is my own point of view?" It is an advantage if you can use your own camera in this course, but a limited number of cameras are also available to borrow from BCB for shorter periods of time.

Requirements

Students are expected to:

- Turn off phones during class time unless otherwise asked.
- Actively participate in critiques and discussions.
- Be prepared to present artworks / assignments / presentations without reminder.
- Initiate appointments with the Professor or arts staff outside of class time.
- Always allocate extra time for work preparation and clean-up for independent production.
- Respond to emails from their professors in a timely manner.
- Inform their professors at the beginning of the semester if photos of student's identity, artwork, works in progress are NOT to be taken and / or used for Bard College Berlin.
- Remove all artworks, art materials, and / or any personal belongings before the end of the semester. Failure to remove works or return spaces clean and empty may result in final grade penalization. Donating unrequested artworks and / or art materials is not permitted and will still be considered student property, expected to be removed by your inspection deadline. Please contact Studio Arts Manager Joon Park for more information: j.park@berlin.bard.edu

Academic Integrity

Bard College Berlin maintains the highest standards of academic integrity and expects students to adhere to these standards at all times. Instances in which students fail to meet the expected standards of academic integrity will be dealt with under the Code of Student Conduct,

Section 14.3 (Academic Misconduct) in the Student Handbook.

Accessibility

Bard College Berlin is committed to inclusion and providing equal access to all students; we uphold and maintain all aspects of Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and the ADA Amendments Act of 2008, and Section 3 of the German Disability Equality Act of April 27, 2002 (Federal Law Gazette I p. 1468). If you have a disability, or think you may have a disability, please contact the Disability Accommodation Coordinator, Atticus Kleen, (accommodations@berlin.bard.edu) to request an official accommodation.

Requests for longer-term accommodations should be made as early as possible to ensure adequate time for coordination and planning. Please note that accommodations are not retroactive and may require advance notice to implement.

If you have already been approved for accommodations with the Disability Accommodation Coordinator, please arrange to meet with me outside of class so that we can develop an implementation plan.

Students may face extenuating circumstances related to various personal or external factors, which impact their academic performance. While these circumstances often do not fall within the legal framework of Disability Accommodations, Bard College Berlin is committed to supporting students experiencing such circumstances. A student needing a short extension or a replacement assignment because of an extenuating circumstance is encouraged to make arrangements directly with instructors if possible. If further support is needed, please visit the [Bard College Berlin Accessibility page](#). Questions about this process can be directed to James Harker (j.harker@berlin.bard.edu) or Maria Anderson-Long (m.andersonlong@berlin.bard.edu).

Attendance

Attendance at all classes is a crucial part of the education offered by Bard College Berlin. To account for minor circumstances, two absences from twice-per-week courses or the equivalent (e.g. one absence from a once-per-week course) should not affect the participation grade or require documentation.

- Attendance of ALL classes is expected.
- More than one absence (that is, absence from one three-hour session per week) in a semester will affect the participation grade for the course.
- Students are expected to attend all off-campus classes punctually, from start to finish. If there is a scheduling/travel conflict, the professor must be informed in advance.

Tardiness after five minutes will be considered an absence unless the professor is contacted at least 1/2 an hour before class.

Bard College Berlin may not offer credit for any course in which a student has missed more than 30% of classes, regardless of the reasons for the absences. The full Bard College Berlin

attendance policy can be found in the Student Handbook, Section 2.8.

Assessment

In this course, students will be given a number of smaller assignments to be executed in class, for the next class or over a longer period of time. Some materials may need to be purchased / acquired directly by each student. Students are also assessed on their ability to work independently and responsibly. They will be graded on their ability to communicate with professor as well amongst themselves. This also includes their ambition to create artworks as well as their willingness to budget their time for all requirements connected to this class.

The assignments required for the course are included in the syllabus but all details will be given in class. If a student misses a class, the student themselves is required to find out relevant information about assignments from the instructor or other students in the class.

Policy on Late Submission of Artworks / Presentations

Assignments (artworks, essays, performances, oral presentations) that are up to 24 hours late will be downgraded one full grade (Example: B+ becomes C+). The Professor is not obliged to accept assignments that are more than 24 hours late. Where a professor agrees to accept a late assignment, it should be submitted by the new deadline agreed upon by both parties. Thereafter, the student will receive a failing grade for the assignment. Grades and comments will be returned to students in a timely fashion. Students may make an appointment to discuss assignments and feedback during instructors' office hours.

Students receive mid- and end-of-semester grades for their seminar work. Students are entitled to make an appointment with an instructor to discuss seminar participation, or may be asked to meet with the instructor at any stage in the semester regarding class progress.
