Course Time: Monday, 9:30-12:45.

Office Hours: Monday and Thursday, 13:00-14:00 or by appointment.

Course Description

This studio art course explores contemporary and historical approaches to drawing and collage. Suitable for all levels of artistic ability, the goal is to enhance aesthetic comprehension and personal expression through the creation of mixed-media drawings and collages. We begin by transcribing embodied experience into visual compositions, attending to our visual perception to strengthen the coordination of mind, eyes, and hands. Course activities will ask students to: make analytical drawings of figures and/or object arrangements, develop conceptual methods of composing, make abstractions from nature by working outdoors, gather materials from Berlin's famous Flohmärkte (flea markets) to use in collages and assemblages, work collaboratively on large-scale drawings, and experiment with innovative combinations of text and imagery. A core theme will be exploring the potential to generate new and surprising content from the juxtaposition of found printed fragments and hand-drawn lines. Of special interest for our class discussions will be works created by current and historical Berliners, such as Dada artist Hannah Höch. The majority of classes are studio work sessions. There will also be several group critiques, weekly slideshow presentations, and contemporary art gallery visits. The semester culminates in the "Open Studios" exhibition in the BCB arts building at Monopol Berlin. Students are expected to be self-motivated, open to exploring new ways of working, and comfortable sharing their artworks in class.

Studio work is the priority, so this course will require a significant amount of time working outside of class sessions. Prospective students should email their questions to the professor directly at:

j.kleckner@berlin.bard.edu

Bard College Berlin is committed to inclusion and providing equal access to all students; we uphold and maintain all aspects of Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and the ADA Amendments Act of 2008, and Section 3 of the German Disability Equality Act of April 27, 2002 (Federal Law Gazette I p. 1468). If you have a disability, or think you may have a disability, please contact the Disability Accommodation Coordinator, Atticus Kleen, (accommodations@berlin.bard.edu) to request an official accommodation.

Requests for accommodations should be made as early as possible to ensure adequate time for coordination and planning. Please note that accommodations are not retroactive and may require advance notice to implement.

If you have already been approved for accommodations with the Disability Accommodation Coordinator, please arrange to meet with me outside of class so that we can develop an implementation plan.

Students may face extenuating circumstances related to various personal or external factors, which impact their academic performance. While these circumstances often do not fall within the legal framework of Disability Accommodations, Bard College Berlin is committed to supporting students experiencing such circumstances. A student needing a short extension or a replacement assignment because of an extenuating circumstance is encouraged to make arrangements directly with instructors if possible. If further support is needed, please visit the [Bard College Berlin](#)

Attendance

Students are expected to attend all class sessions on time and for the full duration of the session. *Tardiness more than 15 minutes will be considered an absence.*

Attendance at all classes is a crucial part of the education offered by Bard College Berlin. To account for minor circumstances, ONE absence from this once-per-week course should not affect the grade or require documentation. More than one unexcused absence will significantly lower the overall grade.

Bard College Berlin may not offer credit for any course in which a student has missed more than 30% of classes (4 class sessions), regardless of the reasons for the absences. The full Bard College Berlin attendance policy can be found in the Student Handbook, Section 2.8.

Assessment

Students will receive a midterm grade and a final grade for the course.

Students are assessed on their willingness to experiment, their contributions offering feedback during critiques, and on their ability to work effectively (in collaborative groups and independently) throughout the semester. Grading will reflect the creative ambition, time investment, strength of concept, skillful execution, and overall quality of the finished artworks. This assessment will also include the student's ability to adequately manage their time for working and clean-up of the materials and spaces used at BCB.

Grade Breakdown

- 70% Work (meaning all assignments and artworks made for class and presented for critique.)
- 30% Attendance, participation, and professionalism (being punctual, effective, respectful, and contributing to critiques and discussions.)

Assignments are due at the beginning of the next class session unless otherwise specified. Further information about assignments and projects will be explained in detail in class. Assignments and the due dates described in this syllabus are subject to change by the instructor. Students will be notified of any changes to the syllabus in class and via email. Students must regularly check their BCB email accounts.

Students are encouraged to make appointments with the instructor during office hours to discuss assignments and participation, or they may be asked to meet with the instructor at any stage in the semester regarding class progress.

IMPORTANT- Please be aware that basic art materials will be provided, though some materials may need to be purchased directly by each student at their own expense depending on individual project

goals.

Policy on Late Submission of Artworks / Presentations

Assignments (artworks, projects, or presentations) that are up to 24 hours late will be downgraded one full grade (Example: B+ becomes C+). The Professor is not obliged to accept assignments that are more than 24 hours late. Where a professor agrees to accept a late assignment, it should be submitted by the new deadline agreed upon by both parties. Thereafter, the student will receive a failing grade for the assignment. Grades and comments will be returned to students in a timely fashion. Students may make an appointment to discuss assignments and feedback during instructors' office hours.

Students receive mid- and end-of-semester grades for their seminar work. Students are entitled to make an appointment with an instructor to discuss seminar participation, or may be asked to meet with the instructor at any stage in the semester regarding class progress.
